Dr. Gabrielle K. Gabrielli, CGMP has worked in leadership development her entire adult life. She earned her Ph.D. in educational psychology and learning systems - instructional systems- and is a certified coach, speaker, and trainer on leadership guru John Maxwell's team.

Leadership Speaking and Training

Dr. Gabrielle K. Gabrielli is an internationally known speaker and trainer. Her approach is to make the content as relevant as possible, to engage people in a meaningful (and fun) way, and to provide customized tools for participants to take back to their respective workplaces. Topics include:

- Hiring and Retaining Excellent Employees
- Providing Excellent Customer Service
- Emotional Intelligence
- Resolving Conflict
- Improving Performance and Accountability
- Motivating Your Team
- Leadership Gold
- Everyone Communicates, Few Connect
- Put Your Dream to the Test
- How to Be a REAL Success
- The 15 Invaluable Laws of Growth
- Sometimes You Win, Sometimes You Learn
- Critical Thinking in the Workplace
- Managing Time, Priorities, and Stress

"True transformation to leadership begins when people overcome fears and self-limiting beliefs to get out of their comfort zones and into their strength zones."

Dr. Gabrielle K. Gabrielli

Gabrielle Consulting inspires leadership in others and helps people and organizations clarify and achieve their goals.

Gabrielle Consulting's Leadership Development Center is a state-of-the-art facility located at 3035 Eliza Road (near Mahan and Capital Circle). 850-878-LEAD (5323)

Leadership Academy

The Tallahassee Leadership Academy began in 2013 as a partnership of Gabrielle Consulting and Tallahassee Community College. The innovative yearlong leadership program was designed and developed by Dr. Gabrielle K. Gabrielli. It takes a systematic approach to leadership development with rigorous curriculum, assessments, coaching, mentoring, and formative and summative evaluation. It helps people at ALL levels become better versions of themselves.

Topics include hiring and retaining excellent employees, developing creativity and applied imagination to problem solving, and improving workplace performance.

In addition to classroom-based instruction, leaders stay connected via technology including a website portal and discussion forums. Register for the Leadership Academy at <http://tallahasseeleadershipacademy.com>.

"In 2013, I joined the Leadership Academy where I met Dr. Gabrielle K. Gabrielli who is the instructor and founder of this leadership program. She is now my best friend and coach. Dr. Gabrielli's leadership changed my personal and professional life in ways I never thought possible. I now have more focus and knowledge to actualize my dreams and aspirations. I have embraced my life passion while learning new concepts to achieve personal success through balance in work and at home. Each day as I awake, the determinations and energies are incredible. I have emerged into a beautiful butterfly and I am living my life purpose. Thank you Dr. Gabrielli for your love and support!"

Patricia B. McCray

Plugged In
Leadership

"Dr. Gabrielle K. Gabrielli of Gabrielle Consulting is by far one of the best mentors and coaches I have ever met when it comes to cultivating leadership in others. She has the uncanny ability to identify areas for improvement and focusing strategies and practices for becoming a better version of yourself, both personally and professionally. I cannot thank her enough for the knowledge and tools she has given me to enhance my leadership capabilities and will forever be indebted to her for believing in me."

Amber R. Tynan

Leadership Coaching

A leader is anyone who positively influences others. Everyone can be a leader regardless of his or her position.

Dr. Gabrielle K. Gabrielli coaches people from frontline employees to new supervisors to top executives. She enjoys helping people clarify and achieve their goals.

Through the coaching process, people learn to overcome any barriers to become better versions of themselves. Once awareness increases, positive changes are possible. Dr. Gabrielli develops customized action items to help people reach higher levels of performance, satisfaction, focus, and work-life balance.
